MEMORANDUM

TO: Honorable Robert P. Patterson
United States District Judge

FROM: Jason G. Lerman
United States Pretrial Services Officer

RE: Bailey, Taheerah
08-CR-679

DATE: September 8, 2008

On May 12, 2008, the above mentioned defendant was arrested and charged with Theft of Government Funds. She appeared before the Honorable Theodore H. Katz for her initial appearance and she was ordered released on the following conditions: \$25,000 unsecured bond, co-signed by one financially responsible person, travel restricted to the Southern/Eastern Districts of New York and the District of New Jersey, surrender all travel documents/no new applications and routine PSA supervision to include drug testing and treatment under the guidance of Pretrial Services.

After the defendant was indicted, on July 29, 2008 she appeared before the Honorable Theodore H. Katz and entered a not guilty plea to the charges. The case was then assigned to Your Honor for all purposes.

On August 4, 2008, the defendant appeared before Your Honor for a status conference and a trial date has been scheduled for September 29, 2008.

Since the defendant's release in May 2008, she has been testing positive for marijuana.

On August 7, 2008, the defendant was referred for outpatient drug treatment counseling at CIS counseling center; however, the defendant failed to attend treatment citing numerous personal reasons as to her inability to attend (lack of carfare, childcare issues and medical appointments).

On September 2, 2008 the defendant actually began attending treatment and at this time her sessions are scheduled for Tuesdays at 12:30 pm.

Pretrial Services conducted a criminal record check for this defendant and it revealed no new arrests since her release on bail.

Pretrial Services is providing this information to Your Honor for the Court's review and we are requesting that no action be taken at this time.
